

How to Stay Safe and Support Downtown Silver City Businesses

The health and safety of Silver City's residents, workers and visitors is of the utmost importance to Silver City MainStreet. The first priority for everyone is to take appropriate steps to limit the spread of COVID-19 and ensure our entire community remains healthy.

During this time of adjustments in social events, work schedules and travel, we encourage you to remember our many small businesses in Downtown Silver City and throughout our community and to continue supporting them even if you cannot visit them physically.

There are many ways that you can continue to support our small and local businesses during this time:

1. Shop online or via phone.
2. If you do not need anything specific at the moment but still want to support local, buy gift cards to spend later.
3. For restaurants, order takeout or delivery and tip the same amount as you would dining in.
4. Write a review and help promote them on social media.

First and foremost, prioritize and take all health and safety precautions for yourself and others in our community. Our community health as a whole depends on working together, and our small businesses are the lifeblood of the Downtown Silver City economy. We want to make sure they continue to stay successful while maintaining appropriate public health safety measures.

The list below is being updated on an ongoing basis. We are working with our downtown businesses to provide you with the most up-to-date information possible. Check back often.

A comprehensive list of resources for businesses can be found at:
